

UTC Swindon – Teacher of Science (Full time and Part Time Opportunities)

Salary: Competitive

Inspire the Engineers of the Future

UTC Swindon, a University Technical College, is different to an existing traditional school. We deliver first class education in an environment that feels like the workplace. Students enrolling in Years 10 and 12 have the opportunity to take a highly regarded full time technical course of study in a new state-of-the-art £10 million college which opened in September 2014.

We are seeking a highly motivated and ambitious Teacher of Science with the vision and experience to play a pivotal role in this unique educational offer. Reporting to the Assistant Principal for Teaching and Learning, you will teach all areas of Science for Years 10 – 13 including target setting, intervention strategies and reward. You will be an outstanding classroom practitioner who consistently demonstrates the highest standards of delivery, is fully committed to raising attainment across all key stages and be required to achieve the highest standards within their subject area.

The successful candidate will:

- be a passionate Scientist who enjoys sharing this passion and love of Science with their students.
- have a proven record of success as an outstanding Teacher
- have Qualified Teacher Status
- have an understanding of the barriers to learning and demonstrate strategies that help overcome them.
- be aware of student performance and intervention strategies to raise performance
- be innovative, ambitious and most importantly have the vision to make a difference to the lives of young people
- will have a passion to raise aspirations and transform lives through Science, Engineering and Technology

Closing date for applications: 31 May 2019
