

UTC Swindon

“Transforming lives through learning.”

Position: Subject Lead Digital Technology and Computing

Start: April 2022

Salary: MPS + £2500 leadership allowance

Are you motivated to inspire the next generation of programmers, cyber security and computing experts?

UTC Swindon is a 14-19 specialist technical college, dedicated to providing the best possible opportunities to prepare our young people for the next stage of their careers, with 100% positive progression every year for all of our learners, with destinations including apprenticeships/university courses with leading computing companies and HE providers in the Digital sector.

Students have access to high quality resources, including a newly installed Esports Suite and Fujitsu Hub.

With the significant skills shortage in the STEM sector, we are seeking an experienced and qualified teacher, who is able to lead our specialism in Digital Technology and build on our current successes. Students work closely with employer partners through a range of activities and projects that give them a significant advantage in securing high quality apprenticeships, employment and education opportunities.

If you believe that this is the right opportunity for you to “Transform lives through learning”, please do contact us and we can arrange a visit.
