“Transforming lives through learning.”

Position: Teacher of Engineering

Start: September 2022

Salary: MPS (£25713-£36961)

Contract: Permanent

Closing date: Monday 10th January 2022 (9am)

Are you motivated to inspire the next generation of mechanical, electrical, electronic, civil and design engineers?

UTC Swindon is a 14-19 specialist technical college, dedicated to providing the best possible opportunities to prepare our young people for the next stage of their careers, with 100% positive progression every year for all of our learners.

With the significant skills shortage in the STEM sector, we are seeking an innovative and qualified teacher, who is able to contribute to building on our current successes in our specialism in Engineering. We have industry standard facilities that allow students to apply their skills as they would in the workplace, across a wide range of engineering disciplines.

Students work closely with employer partners through a range of activities and projects that give them a significant advantage in securing high quality apprenticeships, employment and higher education opportunities.

If you believe that this is the right opportunity for you to “Transform lives through learning”, please do contact us and we can arrange a visit.
