

Job Description – Teacher of Science

Responsible to: Assistant Principal, Teaching & Learning
Salary: Competitive
Closing date: 31 May 2019

Job Purpose

- As a Teacher of Science you will be an outstanding classroom practitioner who consistently demonstrates the highest standards of delivery and has the ability to inspire and motivate our learners. The successful candidate must demonstrate a commitment to raising attainment and be required to achieve the highest standards with the subject area. Within this role you will be responsible for target setting and the development of intervention strategies that help maximize student progression.

Duties and Responsibilities

The Teacher of Science, working with other members of the UTC Swindon teaching team, will be responsible for the delivery of the following key priorities:

- To provide outstanding teaching to create a vibrant and distinctive culture for learning for young people.
- To ensure all our students are able to thrive and engage in both academic and vocational learning to achieve above and beyond their highest potential whilst developing personal and employability skills.
- To plan and execute a diverse programme of learning and skill development that meets individual learner needs across the Science Curriculum.

You will inspire our stakeholders by:

- Managing quality of teaching and learning within Science.
- Working with partners and sponsors effectively to enhance the students learning
- Recognising the teacher standard and ensure these are employed consistently.
- Using effective target setting systems for all students within Science.
- Identifying effective intervention and mentoring strategies for students within Science
- Ensuring that all the work you do for the UTC Swindon follows the vision and values to form a successful college.
- Being an outstanding practitioner by undertaking a teaching commitment depending on the needs of the College.
- Attending College meetings and committees as required.
- Contributing to the College's Enrichment programme, including a willingness to participate in occasional overnight visits.
- Undertaking such other duties as are commensurate with the post and which may reasonably be required by the Principal.

You will enhance young people's futures by:

- Teaching students according to their educational needs, including the appropriate setting and marking of work to be carried out by the student.
- Assessing, recording and reporting on the attendance, progress, development and attainment of students whilst keeping electronic records as required.
- Contributing to reports and references relating to individual students.
- Ensuring that ICT, Literacy and Numeracy are part of the teaching and learning experience of students.
- Ensuring a high quality learning experience for students, which meets professional, internal and external quality standards.
- Preparing and regularly updating Schemes of Work, lesson presentations and other subject materials.
- Using a variety of delivery methods which will excite and stimulate learning appropriate to student needs and demands of the curriculum.
- Maintaining discipline in accordance with the UTC Swindon procedures, and to encourage good practice with regard to punctuality, behaviour, standards of work and independent learning.
- Undertaking assessment of students as requested by external examination bodies, departmental and College procedures.
- Marking and grading students work which enables you to give written/verbal and diagnostic feedback in accordance with College Policy.
- Supporting and motivating students to allow them to grow and enhance their own skills in both achieving qualifications and work related skills (employability).
- Ensuring the maximum opportunity for young people to prepare for pathways into further learning, training or employment.
- Supporting partnership events with key stakeholders including students, parents, employers, schools, further and higher education establishments.
- Engaging with employers to develop learner employability skills, ensuring work related learning experiences are at the core of the UTC curriculum.
- Ensuring all students understand the expected standards of behaviour and be prepared to intervene where these standards are not followed.
- Ensuring a safe, secure and healthy environment for students.

You will protect our students by:

- Responding effectively and immediately to safeguarding/child protection concerns raised by staff, pupils or brought to the UTC Swindon's attention through other means.
- Ensuring that safeguarding policies are followed and communicated effectively.

You will ensure the UTC Swindon is a success by working collaboratively with all UTC Swindon Staff to:

- Regularly review the UTC Swindon to ensure it meets statutory requirements.
- Have an effective understanding of your own accountability, and develop approaches to its review and evaluation.
- Work with/collaborate with other UTC's and Educational Establishments across the MAT.
- Contribute to the reporting of the performance of the UTC Swindon to parents, carers, Governors and other key partners as necessary.

Any other duties as commensurate with the level of this post and as directed by the Principal.
