

Admissions Arrangements for UTC Swindon

Introduction

1. The admission arrangements for UTC Swindon for the year 2017/2018 and for subsequent years are:
 - a. **Year 10** – UTC Swindon will have an agreed admission number of 150 students in Year 10. UTC Swindon will accordingly admit a maximum of 150 students in the relevant age group each year if sufficient applications are received.
 - b. **Year 12** - From 2017/18 no external students will be admitted to the sixth form unless a space becomes available where the full cohort of pupils from Year 11 do not progress to Year 12.

	2016/17	2017/18
Year 10	150	150
Year 11	150	150
Year 12	150	150
Year 13	150	150
Total	600	600

Consideration of Applications

2. UTC Swindon will consider all applications for places. Where there are fewer than the published admission number for any relevant age group, UTC Swindon will offer places to all those who have applied.

Procedures where UTC Swindon is oversubscribed (14-16 provision)

3. Where the number of applications for admission is greater than the published admissions number, applications will be considered against the criteria set out below.

4. After the admission of students with statements of Special Educational Needs where UTC Swindon is named as an appropriate provision on the statement, the criteria will be applied in the order in which they are set out below:
 - a) Looked after children and previously looked after children
 - b) Remaining places will be allocated randomly within each group¹ as follows:
 - (i) 30% of places allocated to applicants resident at postcodes in **Postcode Group A**, which will include all postcodes in:
SN5, SN7, SN9, SN10, SN25, GL7
 - (ii) 30% of places allocated to applicants resident at postcodes in **Postcode Group B**, which will include all postcodes in:
SN1, SN2, SN6, SN8, SN11, SN26, OX18, GL8
 - (iii) 30% of places allocated to applicants resident at postcodes in **Postcode Group C**, which will include all postcodes in:
SN3, SN4, SN15, SN16, RG17, OX12
 - (c) Remaining places will be allocated to pupils living outside the areas listed in (i) – (iii) above with those living closest to the front gates of the UTC (as the crow flies) being admitted.
 - d) The deadline for receipt of applications for entry to Year 10 in September 2017 is midnight on 31st October 2016.
 - e) Allocation of place notifications are sent out on 1st March 2017.
5. If any of the groups (A, B or C) are undersubscribed, these places will be distributed equally to the groups that are oversubscribed. Places will then be offered using random allocation.
 6. Applications from sets of twins or other children from multiple births will be treated as individual applicants, which may result in one multiple sibling being allocated a place under random allocation, and another not being allocated a place.
 7. The random allocation will be independently verified.

¹ The postcode areas are grouped according to population density to provide an even spread of populations across the three areas.

Definitions

8. In determining which applicants live closest to the UTC, distances from home will be measured in a direct line between the front door of the child's home and a central point within the main UTC building (using a computerised mapping system).
9. In the event that it is not possible to distinguish between applicants for the final available place, such as in the case of students who live in the same block of flats, then the final place will be made through random allocation.
10. The applicant's home address is the address where the applicant is registered with the local health surgery.
11. Previously looked after children are children who have been looked after, but have ceased to be so because they have been adopted (or have become subject to a residence order or special guardianship order).

Procedures for Admission to the Sixth Form (Years 12 and 13)

12. Swindon UTC operates a Sixth Form with a total of 300 students.
13. UTC Swindon will admit up to 150 to Year 12 using criteria for admission as outlined above.
14. 150 places overall will be available in Year 12 (the year 12 'capacity') for UTC Swindon's own pupils progressing from Year 11.
15. UTC Swindon will not admit external applicants to its Sixth Form unless undersubscribed by pupils progressing from its own Year 11 and in such circumstances the same academic entry requirements as for pupils already on roll in UTC Swindon will apply. If there are any more applications from external applicants than places available, places will be allocated in line with the oversubscription criteria in paragraph 4.
16. UTC Swindon will publish at the beginning of the academic year prior to admission academic entry criteria for the post-16 section of UTC Swindon based upon GCSE/technical or vocational qualification grades or other measures of prior attainment. Applicants from the UTC Swindon Year 11 who have met this criterion will have an automatic right of transfer to the post-16 section of the UTC.

Operation of Waiting Lists

17. UTC Swindon will operate a waiting list (in both phases). Where in any year UTC

Swindon receives more applications for places than there are places available, a waiting list will operate until the end of the term finishing in December. This will be maintained by UTC Swindon and it will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application.

18. Applicants' positions on the waiting list will be in accordance with the oversubscription described in paragraph 4. Where places become vacant they will be allocated to children on the waiting list in accordance with the ranking.

Arrangements for admitting pupils to other year groups, including to replace any pupils who have left UTC Swindon.

19. With regards to the admission arrangements relating to applications submitted for years other than the normal year of entry, UTC Swindon will consider each application on its own merit. If UTC Swindon is considered to be suitable provision, if the Engineering BTEC can be covered in the time available, and there is a place available in the relevant year group, a place will be offered to the applicant. If more applications are received than there are places available, the oversubscription criteria described in paragraph 4 will apply.

Administration of the Admissions Procedures

20. UTC Swindon will use Swindon Borough Council's coordinated admissions scheme for admission at Y10, but will run its own scheme for the Sixth Form.

Appeals

21. There will be a right of appeal to an Independent Appeals Panel for internal pupils refused transfer and external applicants refused admission.
22. The appeals process will be run in line with statutory duties of the appeals code.
