Are you motivated to inspire the next generation in securing high quality career destinations and to make a positive contribution at this challenging time?

UTC Swindon is a 14-19 specialist technical college, dedicated to providing the best possible opportunities to prepare our young people for the next stage of their careers, with 100% positive progression every year for all of our learners.

As a nation, there is a significant skills shortage in the STEM sector and we are seeking an innovative and qualified teacher, who is able to extend our students' skills and confidence in English, to allow them to meet this need. You will be joining an exceptional team that continues to fulfil our mission in “transforming lives through learning.”

Students work closely with employer partners through a range of activities and projects that give them a significant advantage in securing high quality apprenticeships, employment and higher education opportunities.

If you believe that this is the right opportunity for you to, at whatever stage of your teaching career, please do contact us and we can arrange a visit.
