Apprenticeship Websites

An apprenticeship is a fantastic option for students that may want to blend working life with learning. Available at a range of different levels and in many different sectors, an apprenticeship gives students the opportunity to earn whilst working. To find out more about apprenticeships, what they are and if they are right for you, explore the below links to get you started:

As part of our Careers programme, all students have access to Unifrog: The University Destinations Platform, helping students explore the world of work and education, and to find the best next step to realise their aspirations. Within Unifrog there are some fantastic tools to support with students' apprenticeships searches such as; the Apprenticeship Library, Careers Library and the CV Writing tool.
