Information for Students - Employment

Finding employment is an option available to all our students, whether that be through part-time work alongside your studies, or as a full-time occupation on leaving education at the age of 18; there are plenty of helpful resources out there to get you started. To explore different job prospects, look at starting your own business, or to get involved with enterprise activities, look at the links below:

National Careers Service:

As part of our Careers programme, all students have access to Unifrog: The University Destinations Platform, helping students explore the world of work and education, and to find the best next step to realise their aspirations. Within Unifrog there are some fantastic tools to support with students' employment searches such as; know-how library showing students how to perform well in interviews, the courses tool showing students how to master Linked-In, and virtual events about acing interviews!
