University Websites

The UCAS website is a one stop shop for students wanting to go to university. The website has a huge amount of information including course and university searches, key dates and deadlines, support for writing your personal statement and a tariff calculator. There is also great links to find out more about student finance and funding. Here's some helpful links to get you started:

As part of our Careers programme, all students have access to Unifrog: The University Destinations Platform, helping students explore the world of work and education, and to find the best next step to realise their aspirations. Within Unifrog there are some fantastic tools to support with students' university searches such as; the University Library, the Subjects library, and the Personal Statement writing tool.
